

PRIVACY NOTICE

This **Privacy Notice** describes the information Ensights AI Renewable Energy OS Ltd. (“**Ensights**”, “**we**”, “**our**”, or “**us**”) collects, how we use this information, with whom we share it, and the choices you have in connection with this. This Privacy Notice applies to Ensights-related applications, software, and services accessible on or by domains owned by Ensights (collectively, our “**Services**”) but not to our public website at www.ensights.ai which has a separate privacy policy.

A. Information we collect and use to provide our Services:

Through your use of the Services, we will collect personal information, which is information that identifies you or relates to you as an identifiable individual. We collect personal information directly (or through our client who is your employer or with whom you are associated) and automatically as outlined below.

Personal information you (or our client) provide us for the Services includes your first and last name, business phone number, business email address. You may also upload a photo of yourself, at your discretion.

Ensights may also use the personal information collected for the above purposes to comply with the law and for other limited circumstances as described in **HOW WE SHARE YOUR PERSONAL INFORMATION** below.

B. Information we collect and use when you use our Services:

When you register to and use our Services we also collect, automatically, via cookies and similar technologies, the following *internet and other electronic network activity information*:

- **Usage information:** We use essential, performance, and analytics cookies to collect information about your interaction with our Services, such as what you access, what you click on, the frequency of access, and how much time you spend on the Services. We use this information to: (i) enhance user experience; (ii) conduct analytics to improve the Services; (iii) prevent fraudulent use of the Services; and (iv) diagnose and repair Services errors, and, in cases of abuse, track and mitigate the abuse.
- **Device information:** We use essential, performance, and analytics cookies to collect certain information about the device you use to access the Services, such as hardware model, operating system, and device preferences. We use this information to: (i) enhance user experience; (ii) conduct analytics to improve the Services; (iii) prevent fraudulent use of the Services; and (iv) diagnose and repair Services errors, and, in cases of abuse, track and mitigate the abuse.
- **Location information:** We use essential, performance, and analytics cookies to collect information about your location, which may be determined through your IP address. We use this information to: (i) enhance user experience; (ii) conduct analytics to improve the Services; (iii) prevent fraudulent use of the Services; and (iv) diagnose and repair Services errors, and, in cases of abuse, track and mitigate the abuse.

Particular cookies to note on the Services include:

- **Google Analytics:** We use Google Analytics to conduct analytics. In doing so, Google Analytics may set cookies on your browser, or read cookies that are already there. Google Analytics may also receive information about you from applications you have downloaded that partner with Google. We do not combine the information collected through the use of Google Analytics with personally identifiable information. Google will use and share the information collected through Google Analytics in accordance with its [Terms of Service](#) and [Privacy Policy](#). To opt-out, you can download the Google Analytics opt-out browser add-on.

In general, to disable cookies and limit the collection and use of information through them, you can set your browser to refuse cookies or indicate when a cookie is being sent. When you opt-out, an opt-out cookie will be placed on your device. The opt-out cookie is browser and device specific and will only last until cookies are cleared from your browser or device. To opt-out of interest based advertising generally, you can visit the [Network Advertising Initiative](#) or the [Digital Advertising Alliance](#).

C. How we share personal information collected through the Services:

Enights may share the personal information collected for the provision of the Services in the following instances:

- **With service providers:** We share your personal information with our IT support and cloud and hosting providers for the purpose of assisting us in providing the Services.
- **With analytics providers:** We share your internet and other electronic network activity information with third party analytics providers that conduct analytics on our Services.
- **In the event of a corporate reorganization:** In the event that we enter into, or intend to enter into, a transaction that alters the structure of our organization, such as a reorganization, merger, acquisition, sale, joint venture, assignment, consolidation, transfer, change of control, or other disposition of all or any portion of our assets, we would share your personal information with third parties, including the buyer or target (and their agents and advisors) for the purpose of facilitating and completing the transaction. We will also share your personal information with third parties if we undergo bankruptcy or liquidation, in the course of such proceedings.
- **For legal purposes:** We will share your personal information where we are legally required to do so, such as in response to tax obligations, court orders, law enforcement or legal process, including for national security purposes; to establish, protect, or exercise our legal rights, as required to enforce our terms of use or other contracts; to defend against legal claims or demands; to detect, investigate, prevent, or take action against illegal activities, fraud, or situations involving potential threats to the rights, property, or personal safety of any person; or to comply with the requirements of any applicable law.
- **With our Client:** If you are a user of our Services on behalf of our client then we will share your personal information with our client. We share this information to provide the Services to our client pursuant to our agreement with the client.
- **With your consent:** Apart from the reasons identified above, we may request your permission to share your personal information for other purposes. We will notify you and request consent before you provide the personal information or before the personal information you have already provided is shared for such purpose. You may revoke your consent at any time.

Enights may also share anonymized and aggregated data with third parties for general research and commercial purposes, like marketing, including to enhance and further develop our Services.

NEVADA RESIDENTS

If you are a consumer in the State of Nevada, you may request to opt-out of the current or future sale of your personal information. We do not currently sell any of your personal information under Nevada law, nor do we plan to do so in the future. However, you can submit a request to opt-out of future sales by contacting us at info@ensights.ai . Please include “Opt-Out Request Under Nevada Law” in the subject line of your message.

CALIFORNIA RESIDENTS

The California Consumer Privacy Act (CCPA) entitles California residents to certain rights. We act as a “service provider” with respect to the personal information that we receive through our Services, and perform the Services in accordance with our Terms of Service and our agreement with our client, which contractually sets forth the terms of our data processing as between our clients and us. To exercise your right to access or delete your personal information, you may submit a request with our client on behalf of whom you are a user of the Services.

If you believe we have collected your personal information outside of a “service provider” relationship, you may submit a request via email at info@ensights.ai . We do not sell your personal information.

DATA RETENTION

We keep the information provided to us by you or our client and then permanently automatically delete it from our servers unless retention is reasonably necessary to comply with our legal obligations, meet regulatory requirements, resolve disputes, or prevent fraud and abuse.

INFORMATION SECURITY

We implement and maintain reasonable security measures, such as access controls and encryption, to protect the personal information we collect and maintain. However, no security measure or modality of data transmission over the Internet is 100% secure and we are unable to guarantee the absolute security of the information we have collected from you.

AGE RESTRICTION

The Services are not intended for individuals under the age of eighteen (18). If we learn that we have collected or received personal information from an individual under the age of eighteen (18), we will delete that information. If you believe we might have information from or about an individual under the age of eighteen (18), please contact us at info@ensights.ai.

CHANGES TO THIS PRIVACY NOTICE

We may change this Privacy Notice from time to time. We will post the changes to this page and will indicate the date the changes go into effect. If we make changes that materially affect your privacy rights, we will notify you via email and obtain your consent, if required.

CONTACT
